The seemingly harmless haiku you see below was generated by an unknown artificial intelligence in an attempt to make contact with the agents of the B.U.N. It may look like your run-of-the-mill, emo song lyrics, but hidden inside lies the key to discounted burgers.

Hack the secret code in this poem, and you'll enjoy **25% off** your mission meal. Once you uncover the code, enter it at checkout!

*Hint: The code is in the case.*
